

EHS Guild Presents:  
MAKING YARN WITH A  
(FANCY) STICK

# Diana Twiss

Sunday 25<sup>th</sup> May 2025  
10am-12pm ET at NPCC

Join Diana Twiss for a workshop session on the taxonomy of spindles and how they work. Join us in NPCC studio for a presentation on the styles of spindles; suspended (drop) and supported. (Diana will be presenting by Zoom from her studio in BC.) Then stay for practical hands on tips for getting started and building a cop. A range of spindles and fibres will be available for hands-on experience in studio.

Diana Twiss is a fibre artist who loves spindles for their simplicity, beauty and portability. She has a curated collection of spindles of all shapes, sizes and styles. She is a member of Langley Guild in BC, she teaches workshops in the fibre arts, and is an instructor with School of Sweet Georgia, as well as writing articles for PLY Magazine.
